COMMONWEALTH OF KENTUCKY  
BY R. Allen

AN ACT relating to coordinated benefits for Kentucky National Guard members returning from deployment and declaring an emergency.

1        ➔ Section 1. KRS 38.030 is amended to read as follows:

2        (1) Only the Governor shall have the authority to order units and members of the  
3        Kentucky National Guard into state active duty.

4        (a) The Governor may order units and individual members of the Kentucky  
5        National Guard into state active duty for any of the following purposes:

- 6            1. Protecting lives and property;
- 7            2. Assisting in disaster relief or other humanitarian efforts;
- 8            3. Preventing or suppressing riot or civil disorder;
- 9            4. Enforcing the laws of the Commonwealth; or
- 10           5. Other similar purpose.

11        (b) In addition to ordering personnel and units to state active duty, the Governor  
12        may order other members of the Kentucky National Guard to participate in or  
13        perform duty in support of state active duty missions notwithstanding the fact  
14        that they are then entitled to receive federal pay and allowances pursuant to  
15        Title 32 of the United States Code. The personnel may be ordered to perform  
16        state active duty support missions either prior to, during, or after the time that  
17        state active duty missions are planned or performed.

18        (c) Members of the National Guard who are ordered to perform duty as provided  
19        in subsection (1)(b) of this section while they are entitled to receive federal  
20        pay under Title 32 of the United States Code shall have all of the powers,  
21        immunities, and benefits conferred by law upon persons ordered to state active  
22        duty except that they shall receive no additional pay for the duty and the  
23        provisions of KRS 38.235 shall not apply to them. The powers, immunities,  
24        and benefits conferred upon those persons shall be in addition to, and not in  
25        place of, those powers, immunities, and benefits provided under federal law.

1 (d) Any member of the National Guard may, with his consent, be ordered to state  
2 active duty without pay.

3 (2) The Governor may direct the commanding officer of the military forces ordered to  
4 state active duty to report to any civil officer, including, but not limited to, judge,  
5 county judge/executive, mayor, sheriff, or head of law enforcement or other public  
6 agency in whose jurisdiction the state active duty mission is to be performed. The  
7 civil officer may advise the commanding officer regarding the specific objectives to  
8 be accomplished by the military force, but the tactical direction and disposition of  
9 the troops and the particular means to be employed to accomplish the mission shall  
10 be left solely to the commanding officer of the National Guard.

11 (3) Troops shall not be relieved from active field service except by order of the  
12 Governor.

13 (4) National Guard officers, enlisted soldiers, and airmen who are temporarily or  
14 permanently disabled as a direct result of an injury or disease arising out of the  
15 performance of an act in the line of duty as a result of the January, 2009 Winter  
16 Storm Response, Mission # 090127G01, shall, at the discretion of the Governor,  
17 remain on paid state active duty status until a competent medical authority  
18 releases them to return to their normal activities or the Governor deems it  
19 appropriate to relieve the individual from state active duty status. Compensation  
20 paid to the soldier or airman by the department shall be adjusted and maintained  
21 at the soldier or airman's regular rate of active duty pay; however, compensation  
22 paid by the department shall be reduced by the amount of payments received from  
23 workers' compensation insurance, Social Security benefits, and other federal or  
24 state-financed disability programs designed to supplement the soldier's or  
25 airman's income. Final compensation shall not be reduced by payments for  
26 medical care.

27 ➔Section 2. Whereas those who were called up by the Governor for Mission #

1 090127G01 and sustained injury or disease out of the performance of an act in the line of  
2 duty during that mission are in current need of compensation while they recuperate, an  
3 emergency is declared to exist, and this Act takes effect upon its passage and approval by  
4 the Governor or upon its otherwise becoming a law.
